

The Bowling Times

Happy Holidays to all and hope everyone enjoyed a wonderful Thanksgiving with family and friends. We are very excited to share our remodel plans for Carson Lanes! Beginning in May of 2009, we will begin construction to add a Johnny Rockets Restaurant, fully enclosed Arcade Room, and new slot machines. We plan on expanding our main Bar/Lounge to include pool tables and dart boards. Our Service Bar and ProShop will be expanded along with plans for a new Daycare Facility to include an outdoor playground. We plan to remain open during construction and our goal is to be complete by Fall of 2009 in time for our Fall/Winter Leagues. We will be sharing more details and progress reports in upcoming newsletters. Have a Happy and Safe New Year Everyone!!
